Sutton United Football Club are looking to recruit a full-time Physiotherapist to provide medical services for all the first team players within an interdisciplinary approach. The Physiotherapist will work along with the Senior Sports Therapist & Sports Scientist to develop and deliver injury prevention strategies, S&C programmes and deliver rehab to injured players. To help maximise player performance, enhance recovery and reduce the likelihood of injuries within the first team.

Key Roles & Responsibilities:

- Lead the Assessment & Treatment of Injuries at Sutton United FC
- Provide medical care for all Sutton United first Team Players
- To provide pitch side cover for all Sutton United First Team Home & Away fixtures including overnight journeys where necessary
- Ensure all relevant First Team Management Staff are clearly communicated to on a regular basis with regards to all medical issues and injuries
- Oversee the development and implementation of prehab and rehab programmes for all Sutton United First Team Players

- To provide the appropriate examination, assessment and treatment of First Team Players when required, including the referral (where necessary) to internal and external medical professionals
- To keep an up to date and accurate database of treatment and work with all Sutton United First Team Players, including current medical status, medical notes and recordings of rehabilitation sessions
- Where appropriate, assist and advise the Sports Science Coach
- Liase with the Club Doctors as and when necessary
- To adhere to EFL Rules & Regulations and ensure protocols are followed at all times

Essential Qualifications:

- Bsc (Hons) Physiotherpay
- HCPC Registered
- FA Level 4 Intermediate Trauma Medical Management in Football (ITMMIF)
- FA Level 5 Advanced Trauma Medical Management in Football (ATMMIF)
- A valid full UK Driver's License Desirable Skills & Experience:
- 2 year's experience working in the medical department of a professional football/sports club
- Experience working pitch side / matchdays at a professional football club
- The ability to work calmly under pressure
- The ability to work effectively and safely, whilst working both independent and as part of a team

- To always adhere to confidently and data protection procedures

Desirable Qualities:

- A genuine team player
- Excellent levels of communication
- Takes responsibility for ensuring tasks are completed to a high standard
- Excellent timekeeping skills
- Hardworking & Enthusiastic

Other Information
