### Getting Here

By Car: 

Travel along the M25 to junction 8. Then north on the A217 for about 15-20 minutes. Stay on the A217 to the traffic lights with the Cheam Road (A232) and turn right toward Sutton. Do not turn into Gander Green Lane, keep going until you reach the Sutton one-way system and turn left into St Nicholas Way and then left again into the Gibson Road municipal car-park. It is then a relatively short walk down Collingwood Road to the away end of the stadium.

By Rail: 

It is recommended that visiting supporters use Sutton station, which is on the main lines out of Victoria and London Bridge and is at the top end of Sutton High Street, about 20 minutes' walk from the ground. Two buses between Morden and Sutton stations run conveniently close to our stadium: route 413 bus goes down Gander Green Lane, and number 80 runs along Collingwood Road. The ground can then be reached by taking the path through Collingwood Rec. London Buses are now cashless.

Our closest station to the stadium is West Sutton station (about a 3 minute walk from the stadium). Fans can also arrive via the more well connected Sutton Station (about 15 minute walk from the stadium)
