CHIEF OPERATING OFFICER, TIM ALLISON

A MESSAGE FROM THE TOP

We welcome this afternoon's visitors to the VBS Community Stadium, Tamworth, for their second league visit after completing what for them must have been a satisfactory first season in the National League.

As we found in our three-year spell in the Football League though, being unfancied as a newly promoted club in the first season doesn't mean the second time round is any easier.

Whilst they sit comfortably in mid-table, where they finished last season, with three wins under their belt already, it would be fair to say looking at the current table they have faced what would appear to be easier opposition than us to date. Points in the bank are all that matter and Steve will be looking to add to our total this afternoon and climb away from the wrong end of the table. Tamworth will of course be looking to take those points too, and with both clubs suffering 4-0 losses to title favourites, and also losing by the odd goal to Scunthorpe there doesn't appear much between the sides form wise.

Last season, in glorious sunshine we were taken to the final minutes of a frustrating encounter before Josh Coley spared our blushes on the opening day of the season. The reverse fixture here produced an even worse outcome, although no doubt delighted the 68 travelling supporters, who this time saw their team not just come back and equalise but go on to win after Will Davies' early goal for the U's. So Sutton will be looking for our first league victory over The Lambs although revenge of sorts was delivered a few weeks after that home loss with a victory in the FA Trophy by a single goal also scored by Will.

With Will having left, upwards, to pastures new in the summer, it will be up to someone else to step forward and try and score the winning goal today. Will's replacement Ashley Nadesan found the back of the net with a deft touch last weekend to get off the mark this season and will be wanting to add to that total for sure. Last weekend's game was another frustrating affair with another result losing by the odd goal despite, again, having led at one point in the match. Hopefully this afternoon's man in charge will be less busy, and dare I say bemusing, as the team in amber found ourselves the wrong side of a 6-0 scorecard from the card perspective in an otherwise even contest.

This weekend also marks the return of Crystal Palace Women to the VBS with their first home fixture since their disappointing relegation out of the Women's Super League earlier this year. They will welcome any support, although our own Women are also playing at home on Sunday at the David Weir Leisure Centre being their new home for this season. A much easier venue to get to and get behind them for most people this year. In another tough division (aren't they all?) Lucy has recruited an exciting team which is currently in mid-table with a win and a draw mixed with some losses to the top teams.

I am sure she is disappointed to have been drawn away from home for their first match in this year's Women's FA Cup competition the following Sunday, but we now have every incentive to win, and keep our fingers crossed for that home draw in the next round. I know they were all pleased to play at the VBS last season and will be keen to return.

Looking forward to a successful weekend across all of the Club's teams.

Up the Us!

HISTORIC RAMBLINGS

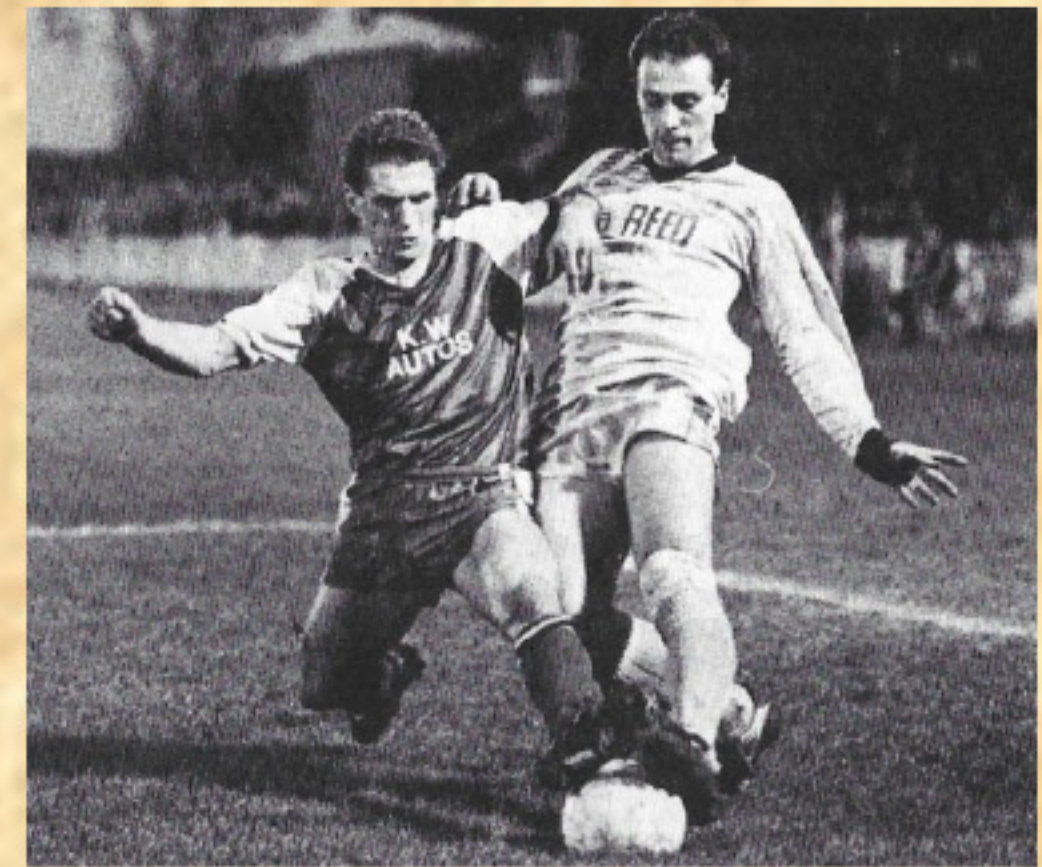

Written by Mark Frake

Three from the 13th September

SUFC's first match on this date as a senior club was in 1913. A FA Cup extra-preliminary round tie at Camberley & Yorktown, U's exited the competition at its earliest stage by 5-3. Since then, twenty more matches have been contested, the most recent a 3-2 loss at Swindon Town in EFL, L2 in 2022. Of those in between, eleven have been at GGL including six wins and two defeats. Four of these matches have been in the FA Cup 1st qualifying round and include one of the draws, against Barnet in 1975. Away from The 'Lane, Sutton have played ten times including the two mentioned above. Two 4-0 wins have been recorded (in 1919 v Guards Depot in Southern Suburban League West and Cheshunt in the FA Cup, 1997) while the heaviest reverse was at Hendon in the Athenian League in 1952, 0-6. U's away record on this day of September is W5 D1 L4.

The Match

Forty-two years ago today, Sutton made the short trip to Sandy Lane for a local Isthmian League derby with Tooting & Mitcham United. Sutton had not won at Tooting in their previous nine visits in all competitions, the last victory being in November 1976 under the management of Dario Gradi. U's went into this match following a good start to their league programme having won three and drawn three in their half dozen matches. The 1983/4 season would be the last for club legend and record appearance maker, Larry Pritchard. He would hang up his boots a couple of months later and manager Barrie Williams was utilising his assistant manager in the unfamiliar role of right back.

Winning goal scorer, Micky Stephens, in action some 5 years later against Dagenham

Photo: Sutton Herald

The hosts took the lead in the 30th minute thanks to Dave Lucas's diving header but having seen two efforts cleared off the line, Micky Joyce flicked on a cross for John Rains to fire past future Sutton 'keeper Nicky Sullivan in the home goal. That was in the 65th minute and eleven minutes later, Micky Stephens curled a beauty past Sullivan to claim a rare IL win at Sandy Lane (just U's fourth in 21 visits to that point).

U's: Collyer, Pritchard, Bangs, M Golley, T Rains, Batt, Stephens, N Golley, Joyce, J Rains, Galloway

The Player

Son of local footballing personality of his day Johnny, Steve Bangs joined Sutton for the 1974/5 season having been coached by then U's manager Ted Powell as a schoolboy at Sutton Manor. Appearing on this day in 1977 against Carshalton Athletic in the Isthmian, Steve was comfortable at either left or centre back and having started that '74/5 term in the Suburban League side, he made his senior debut on 18th February '75 against Leatherhead in the Isthmian League and had

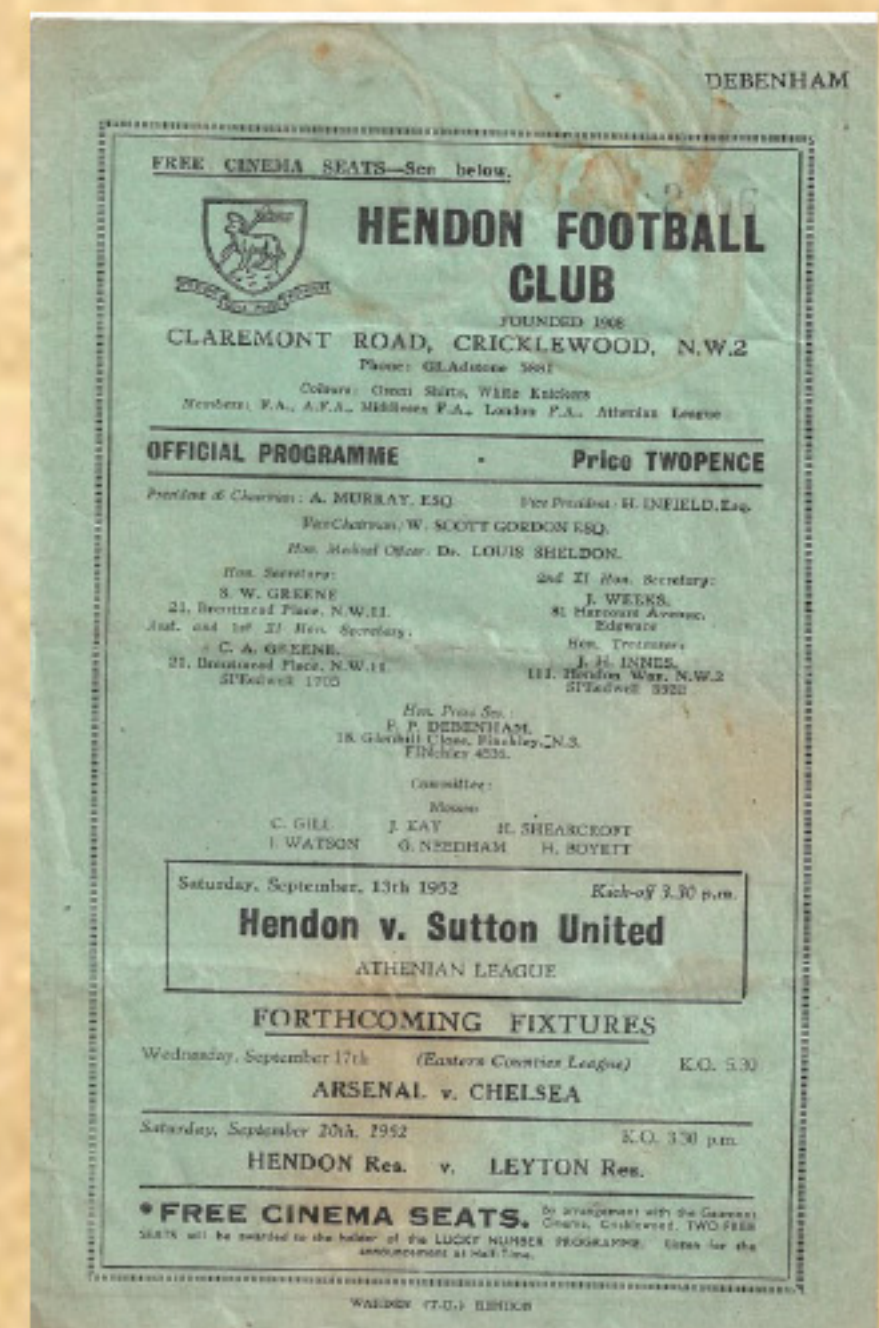

made 19 appearances come the end of that season. The following campaign his first goal arrived in an FA Cup tie against Chesham United (see above photo). Bangsy continued at Sutton until December 1977 and having lost his left back role to Paul McKinnon joined local rivals, Carshalton Athletic. He stayed at Colston Avenue, taking a fair bit of stick off the Sutton fans when the two sides met, before rejoining Sutton for the 1983/84 season. Steve played a major role in U's two Isthmian title successes of 1984/85 and 1985/86, winning the POY award for the former. Once ridiculed by the U's faithful he had become a much admired defender. Following the second of those two IL titles, Steve left the club and took a role as assistant manager at Dorking and then later a management role at Corinthian-Casuals. While at Sutton, Steve represented the FA in 1976/77 season and as well as those two IL titles he also won the Isthmian League and Surrey Senior Cups twice. Steve made 293 appearances for Sutton, scoring five goals. Away from football he returned to Sutton Manor as a Sports Master.

Sutton & Chesham Advertiser

The Programme

Back to 1952 for today's programme review and that of Hendon FC. Printed on green paper (the club's colours at the time), the front page (below) was refreshingly lacking in adverts. The inside cover had adverts at bottom and top but the middle was a team photo of the home club. Photos were rare in amateur programmes back then. Club notes followed including a paragraph asking supporters to stop children running on the pitch during the match! As was the design back then, the teams layout was in the centre spread (2-3-5 formation) surrounded by adverts including Jock's Café and G&E Potter, gentleman's hairdresser; both businesses based in Cricklewood. The Supporters' Association had notes on page 6; lapel badges were going at 2/6 (12.5p). Fixtures and results were listed on the inside back cover and Hendon's one hundred percent start to the season stretched to a fourth win as they thrashed Sutton, 6-0. The back page held up to date tables of the Athenian senior and reserve sections. Southall led the way on goal average from Hendon while in the reserve section, U's had conceded 16 goals in just two matches. Priced at 2d, standard fare for the time with a couple of added extras.

SUFC vs Tamworth

Having met for the first time on the opening day of last season at The Lamb (1-1), Tamworth made two visits to Sutton, recording a 2-1 win in the NL here in December 2024 before losing out 1-0 in the FA Trophy 4th round just over a fortnight later. Will Davies scored for Sutton in both these matches, Josh Coley's late equaliser earning that opening day point.

INTERNATIONAL

ROUND-UP

The September International Break is at an end, with three Sutton players across the First Team and Academy in action while on duty for three different nations.

Kane Crichlow notched his 12th goal for Bermuda as the Gombey Warriors fell to defeat against Curaçao in their second Concacaf World Cup Qualifier of the September international break.

The Sutton winger completed 90 minutes at Stadion Ergilio Hato and got the deftest of touches after half-an-hour to turn home a Nejai Tucker cross, inspiring a first half comeback that saw Michael Findlay's men come from 2-0 down to go into the break level, with former West Ham United striker Djair Parfitt-Williams scoring on the stroke of half time to cancel out two opening goals from Sheffield United's Tahith Chong.

Despite this, Bermuda fell short 15 minutes from time as Tyrese Noslin struck for Curaçao, and condemned Crichlow's side to defeat against a team consisting of a handful of familiar players within English football, including Chong, Leandro Bacuna, Juninho Bacuna, Ar'jany Martha and Jürgen Locadia.

As a result, the Gombey Warriors sit bottom of Group B after the first batch of Round Three Qualifiers, but are still a long way off elimination with further Qualifiers against Trinidad & Tobago and Jamaica to be played in October.

Crichlow had previously played 90 minutes as Bermuda fell to a 4-0 defeat against the Reggae Boyz four days earlier, with Damion Lowe, Renaldo Cephass, Kasey Palmer and Shamar Nicholson scoring the decisive goals at the Dame Flora Duffy National Sports Centre.

Over in Asia, Dillon De Silva's Sri Lanka were defeated in the South Asian Super Cup, with Maldives coming out of two international friendlies victorious against the Golden Army.

The Sutton winger started both matches, being deployed out wide as Abdullah Al Mutairi's side lost 3-0 in the first game, being condemned to defeat thanks to goals from Hassan Naiz, Hassan Ibrahim and Ali Fasil. This preceded a 1-1 draw in the second game, with Sri Lanka rescuing a result at the death when Oliver Kelaart scored in the 92nd minute to cancel out Naiz's second goal in as many games, but wasn't enough to prevent defeat overall in the cup.

The warm-up games sees the Golden Army continue to prepare for two AFC Asia Cup Play-Off games against Turkmenistan in October, looking to make it to the finals of the competition for the first time in 2027.

Back to Europe, Sutton Academy defender Jay Coombes made two substitute appearances for Gibraltar Under-21's as Los Llanis lost their first two Euro Under-21 Qualifiers against Bulgaria and Czech Republic.

A Georgi Lazarov brace saw Lavovete race into a 2-0 lead at Stadion Georgi Benkovski, with Nikola Iliev completing a 3-0 win, before Matyas Vojta and Lukas Masek scored two goals for Czech Republic to complete the turnaround after a first half Kyle Clinton penalty, and condemn Gibraltar to a 2-1 defeat.

Team 54 currently sit 5th in Group B, and will be looking to close the gap on the top two with games against Scotland and Portugal next month.

THE DAVID WEIR DIARIES

The latest news from David Weir Leisure Centre; the home of the Sutton Academy and Women's teams.

Sutton made it two wins out of two in the National League Under 19 Alliance South Division and moved to the top of the embryonic league table on goal difference, coming from behind to beat Aldershot Town at Sandhurst Town FC.

After opening strongly, U's went behind when goalkeeper Kian Evers, under pressure from a forward who had been flagged offside only for the referee to play on as the ball went through to Evers, misdirected a clearance that was picked up by an Aldershot player on the right, and when U's failed to clear the resulting cross there was an easy chance at the far post which was converted.

However, midway through the half a fine run from Rashaad Drysdale ended with him laying a pass back to Ronny Ruiz, whose first time cross was met by George Vorster with a stooping header that went in off the post. With just under ten minutes to go to half time Charlie Bell added a third with a well struck low shot after a corner had been cleared to him on the edge of the area, going in to the break in a commanding position which remained as it was come full time.

The next National League game is away to Dorking Wanderers next Wednesday, but before that U's youngsters head west to face Bristol Rovers on Saturday at The Quarters Training Centre, Almondsbury, kick off 11.30.

Two second half goals condemned Sutton United Women to back-to-back defeats, as they lost 3-1 to Brentford Women.

The U's fell behind after goalkeeper Megan Taylor misjudged a bouncing through ball, getting beaten to it by the toe of Asees Sangha, who prodded home into an empty net to give Brentford the lead.

However, attacking with wind behind their backs, the U's responded brilliantly with a free kick that was deflected a yard into the air at the back post and under the crossbar was K'Shaela Burch-Waldren to nod it past three players, dragging Sutton level.

Just moments later, they were lucky not to concede a penalty, and was followed by Brentford's lead being restored; Renai McCrea curling Brentford back in front from the edge of the area, before Lucy Clark's side was punished at the death with Berry heading home from a corner to make it 3-1 and seal the three points for Brentford.

Official: Three New Signings for Women

Sutton United confirmed the signings of Sophie Summer, Ines Jame and Tess Ciccardin for the Women's team last week.

The three new recruits become the 12th, 13th and 14th signings of the summer for Lucy Clark's side, with Ciccardin making her debut against Brentford on the weekend.

Summer joins from Ascot United, while Jame was with Sutton as a youngster, re-signing for the 2025/26 campaign after moving to Beecholme Belles last season, and both will bolster the U's midfield this term.

Ciccardin meanwhile is an agile 17-year old forward who joins from Haywards Heath Town where she notably won the Sussex County U18s Cup, contributing to 28 goals (23 goals and 5 assists) in 2023/24.

Formerly of Caterham Pumas, MFA and Crawley Wasps, Ciccardin is a player known for her intelligence and speed, and joins a frontline rife with quality in South London.

Five Academy Players Progress to First Team

Bex Langen, Dominique Gray, Hannah Hevesy, Sasha Walker and Ella Khaldoun have progressed into the first team, having moved through the pathway of academy football.

Congratulations to all!

FA Cup Second Qualifying Round Draw Confirmed

THE LATEST FROM THE LEAGUE

The latest news from around the Enterprise National League.

Written by Louis Massingham Rowell

It was a weekend of firsts in the National League last weekend with 35 goals scored across the 12 fixtures.

Stuart Maynard took charge of his first game as York City manager in their trip to Yeovil. The trip to Somerset yielded his first win in charge of the Minstermen as they came away from Huish Park 3-1 winners. Despite the two week break between fixtures, York were 2-0 up at half-time and Hiram Boateng scored first in York colours to make it 3-1 late in the game.

They followed this up at their first home game since our opening day draw (2-2) at the LNER Community Stadium. Their 4-0 victory in midweek against today's visitors Tamworth was Maynard's first home win and moved them up to 8th with games in hand over most of the sides above them.

Another side who experienced a first win last weekend was Solihull Moors. The Moors picked up their first victory of the season with a 2-1 win at Boston United. Having sacked Matt Taylor after a winless 7 game start, they moved off the bottom thanks to a brace from Jacob Wakeling (his first goals for the club).

Two unbeaten sides went head-to-head at the New Lawn and Forest Green inflicted a first defeat of the season on Simon Grayson's Hartlepool. Kairo Mitchell scored the only goal of the game and put Robbie Savage's side on 20 points from their opening eight games.

There was a second abandonment in a week for Scunthorpe United after their game against Wealdstone ended prematurely. In the closing stages of the game, Wealdstone's player suffered a shoulder injury which led to a stoppage in play. Despite the league and referee demanding the game be completed, the Stones players refused to return to the field. This followed on from Scunthorpe's midweek visit to Eastleigh ending prematurely after a clash of heads between two opposing players.

The League have since decided that their trip to Eastleigh must be replayed in full, a long trip to fulfil on another Tuesday night having completed it the other week. In contrast, the Iron have been awarded the three points for their game against Wealdstone but the goals for and against will not be added to the table.

Credit must be given to Truro City on their first visit to Carlisle United. The Cornish club's 878 mile round trip to Brunton Park was completed by 78 Tinnars fans (more than Boreham Wood brought to the VBS 10 days ago). Sadly for the Truro fans, the game was all but over in the 12th minute as Luke Armstrong's brace gave Carlisle a 2-0 lead. The league's joint-top scorer, Regan Linney, added the final goal of the game in the second half to give the Cumbrians a 3-0 win.

In the National League South, result of the day went to Worthing who comprehensively beat Dagenham & Redbridge 5-2 in East London. The win was the Mackerel Men's first back-to-back successes of the season. On the flip side, it has been a dreadful start to the season for the Daggers. Despite the media attention in the summer after the signing of Andy Carroll, they have only picked up one win this season and find themselves in the relegation zone.

It doesn't look as though it will get much easier for them. Fixtures against Dorking Wanderers, Maidstone United and Torquay United in their next three could add more pressure onto the side with the joint-worst defence in the National League South.

Entertainers in the National League North in recent weeks have been Radcliffe. The Manchester side continued that last weekend with a 4-1 win over Marine. So far this season, Radcliffe's games have had an average of 3.25 goals-per-game.

Ex-Salford City managers Bernard Morley and Anthony Johnson have implemented an attacking brand of football which has led them to have the highest expected goals (xG) in the top six tiers. The Boro have totalled 18.02 xG and will be hoping to keep that statistic going in their trip to South Wales next week when they visit Merthyr Town.

This weekend sees the National League South and North sides join the FA Cup with a number of interesting ties taking place.

The one that should appeal to Sutton fans is Eastbourne Borough hosting Epsom and Ewell.

The fixture sees two Sutton legends go up against each other in the dugout with Matt Gray and Craig Dundas looking to manage their sides to the FA Cup 3rd Qualifying Round. Dundas' side may fancy their chances of causing an upset as Eastbourne sit bottom of the National League South with three points from their opening eight games.

Another standout fixture is the Enfield derby. Enfield Town will travel to Hertford Town's ground to take on Enfield FC. The Towners were formed in 2001 by disaffected Enfield fans and became the country's first fan-led club. It will be a first meeting between the two clubs since 2011 and the Es will have to perform at their best to cause an upset having started their league season with one win from their opening three games.

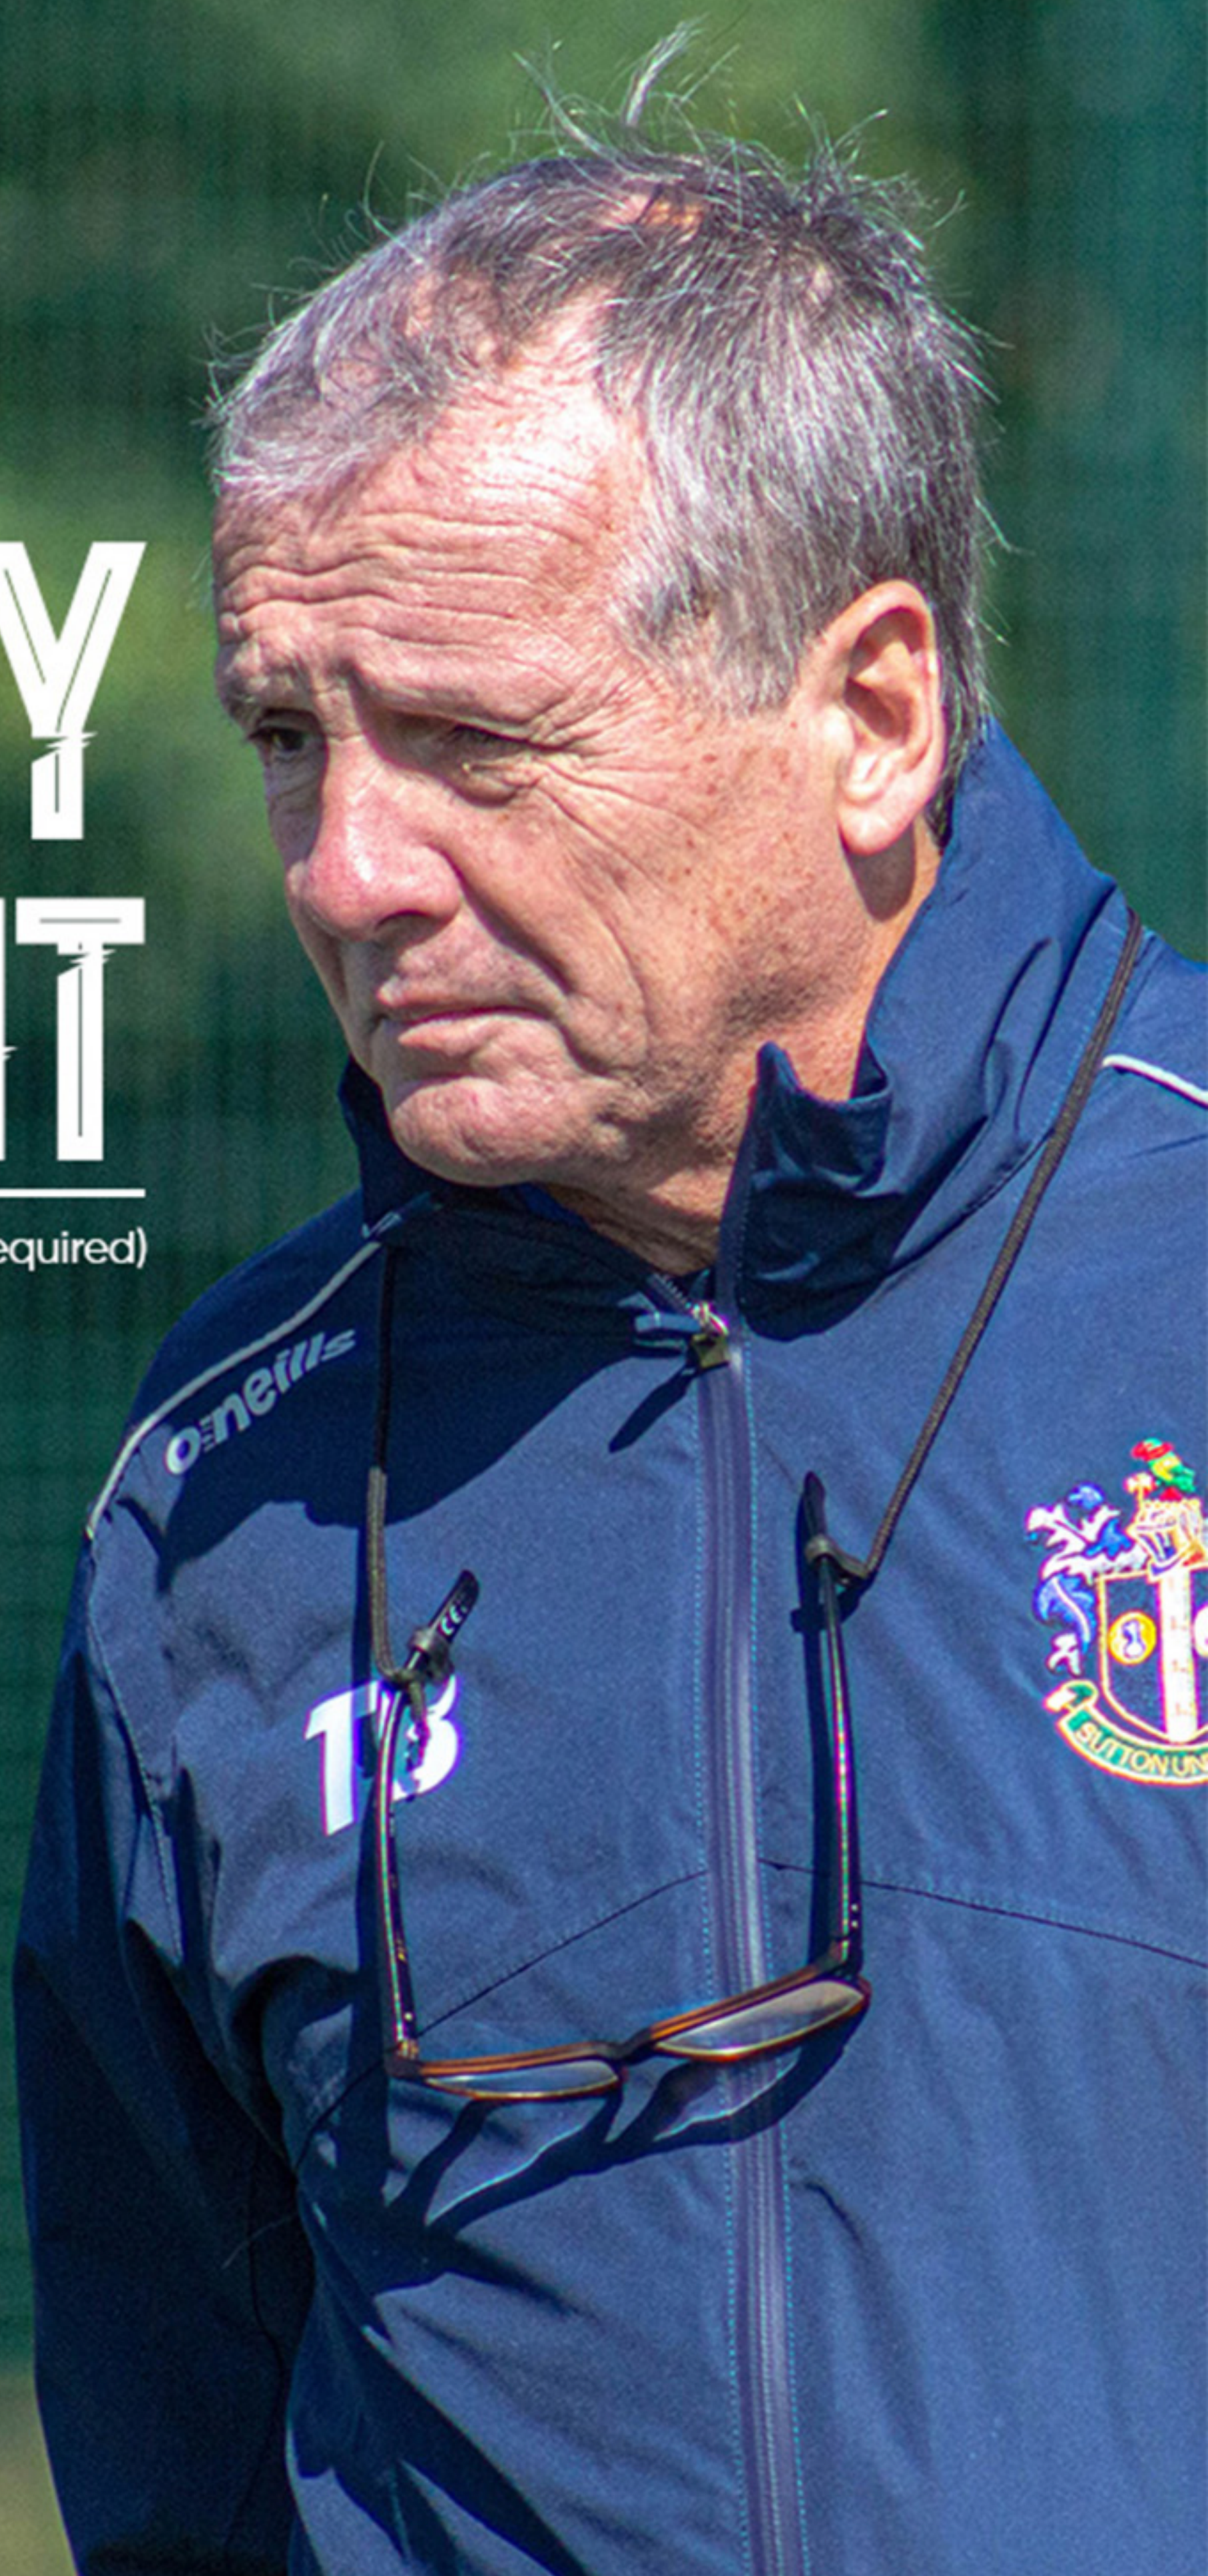

Other notable ties include former EFL side Macclesfield's home tie against Atherton Laburnum Rovers who came through their Flat Cap Derby against Atherton Collieries in the previous round. Finally a local derby of 2.5 miles is taking place in Wiltshire between Salisbury and Leverstock & Ford. The step five side visit Salisbury having scored twelve goals in their last three games.
